

Crossroads Continuum | Commons

Community-Based Day Services for adults ages 22+ in Marlborough, MA. Opening Fall 2022.

OUR NEWEST PROGRAM BUILDS ON 20-YEARS OF SUCCESS WORKING WITH INDIVIDUALS WITH AUTISM AND RELATED DISORDERS.

Much like a Town Commons, The Commons brings individuals together and celebrates community. Our program is designed to maximize each individual's independence and enrich their life through a range of off-site activities. The program uses a person-centered approach to develop, enhance, or maintain skills that allow each individual to thrive in their community.

Program Experience

- ▶ Career exploration through volunteer experiences, internships, and/or situational assessments.
- ▶ Community integration experiences to support fuller participation in community life.
- ▶ Skill development and training.
- ▶ Development of Activities of Daily Living and Independent Living Skills.
- ▶ Socialization experiences and support to enhance interpersonal skills.
- ▶ Pursuit of personal interests and hobbies.
- ▶ Community Outings.

"I remember when our pediatrician shared [our son's] first diagnosis of mosaic down syndrome. One of her statements for us was he may not attend Harvard, but he will have good supports throughout his life. It is with great pleasure that I can say that statement was incorrect. [Our son] does have great supports and as far as we are concerned, he has been accepted to the "Harvard" level Adult Day Program, Crossroads Continuum. A program where he will receive the opportunity to continue his journey working on life skills, community trips, social activities all under the guidance of experienced, caring staff."

TURNING 22 DOESN'T HAVE TO BE AN ENDING.
