

Crossroads Continuum

Discover

Center-Based ABA Services for children ages 3-6 with autism and related disorders.

Our experienced and caring staff will help your child develop the foundational communication and social skills, that will give them greater independence as they prepare for school.

WHY CROSSROADS CONTINUUM?

Mission Driven

We are a non-profit organization, focused exclusively on our mission to serve people with autism and related disorders

Established in the Community

We have been providing services to Metro West students with autism and related disorders for 20 years.

Lifelong Continuum of Care

Crossroads Continuum serves people with autism and related disorders from birth through adulthood. We are a multi-service organization that will provide continuity throughout all stages of your child's life.

Evidence-Based Programming

Children receive quality ABA services provided by trained Behavior Therapists and overseen by Behavior Analysts.
